In those cases where the reason for stopping payment is such that another check in lieu thereof may be issued, the Bond of Indemnity and Affidavit of the loss of the original check, Form 25, shall be executed by the payee or by the person responsible for the loss of the check. The Bond and Affidavit, in blank, will be furnished by the Treasurer upon receipt of the acknowledgment of stoppage request from the United States Treasury. Where the person responsible for the loss cannot be determined, the requirement of the Bond and Affidavit may be waived in the discretion of the General Manager. The other check in lieu thereof will not be issued until thirty (30) days after the date of the issuance of the lost check unless within the discretion of the General Manager such an exigency exists that the issuance of the substitute is necessary prior to that time.

In those cases where the original check was drawn on an account, the use of which has been discontinued, the new check shall be issued by the Treasurer's Office in Washington.

the disbursing officer to issue, after stop payment has been placed, and upon advice of the Treasurer, a new check in lieu thereof, of current serial number, identifying it with the lost check by adding under the caption "Object for which drawn" the words "Issued in lieu of lost check No. ———."

Sec. 704. Where it appears that a check drawn payable jointly to Home Owners' Loan Corporation and a named individual or individuals has been lost or destroyed before payment by the drawee bank and it is for the interest of the Corporation that a replacement check be obtained, the Regional Manager and the Regional Treasurer, with the approval of the Regional Counsel of the Region having jurisdiction, are each individually authorized to execute on behalf of Home Owners' Loan Corporation a notice to stop payment, and also any affidavits and bonds of indemnity which may be required to obtain the issuance of a replacement check. In the event any expense is attached to the execution of an indemnity bond, the approval of the General Manager or a Deputy General Manager shall first be obtained; and any such expense when so approved shall be paid out of the Regional Working Fund.

Sec. 705. The Regional Treasurer is authorized to maintain a Petty Cash Fund not in excess of \$25.00 which may be obtained from the Home Office at the request of the Regional Manager. The fund shall be used for incidental expenses such as postage, carfare, etc.; reimbursement for such expenditures will be made from the Regional Working Fund upon a voucher properly supported by receipts and duly certified by the Auditor or an authorized Deputy.

Sec. 706. In those cases where borrowers from this Corporation have made application to some other governmental agency or instrumentality for loans on properties on which this Corporation has a lien, the Corporation will accept from the interested governmental agency or instrumentality, bonds issued by it, at their face value, with accrued interest to date of settlement, for a full and final payment of all moneys due, provided that such bonds are guaranteed by the United States Government, both as to principal and interest. Such requests shall be handled in such manner and under such instructions and procedure as the General Manager or a Deputy General Manager, and General Counsel or an Associate General Counsel, shall prescribe. Consents to accept bonds of other governmental agencies or instrumentalities, and all other instruments necessary to consummate such refunding operation shall be executed by: the Treasurer, Assistant Treasurer, any Regional Treasurer, or any Assistant Regional Treasurer.

Sec. 707. (a) Whenever it appears to the Secretary of the Treasury by clear and unequivocal proof that any interest-bearing bond of the Home Owners' Loan Corporation has, without bad faith upon the part of the owner, been destroyed, wholly or in part, or so defaced as to impair its value to the owner, and such bond is identified by number and description, the Home Owners' Loan Corporation will, under such regulations and with such restrictions as to time and retention for security or otherwise as are herein prescribed or as the Federal Home Loan Bank Board may hereafter prescribe, issue a duplicate thereof, having the same time to run, bearing like interest as the bond so proved to have been destroyed or defaced, and so marked as to show the original number of the bond destroyed and the date thereof. But when such destroyed or defaced bonds appear to have been of such a class or series as has been or may, before the application for relief is approved, be called in for redemption, instead of issuing duplicates thereof, they shall be paid, with such interest only as would have been paid if they had been presented in accordance with such call.

(b) Whenever it appears to the Secretary of the Treasury by clear and unequivocal proof that any interest-bearing

bond of the Home Owners' Loan Corporation, fully identified by number and description, has, without bad faith on the part of the owner, been lost to such owner under such circumstances and for such period of time after it has matured or has become redeemable pursuant to a call for redemption as in the judgment of the Secretary would indicate that it has been destroyed or irretrievably lost, is not held by any person as his own property, and will not be presented by a bona fide holder for value, the Home Owners' Loan Corporation will make payment of the amount which would have been due on such bond had it been presented at the time it became due and payable. But no payment shall be made on account of interest represented by coupons claimed to have been attached to a missing coupon bond at the time of its loss or destruction, unless the Secretary is satisfied that such coupons have not been paid and are in fact destroyed or can never be made the basis of a claim against the Home Owners' Loan Corporation or the United States: *Provided*, That where relief is authorized under the provisions of this paragraph the bond of indemnity required by the following paragraph shall be in a penal sum of double the amount to be paid and shall be executed by an approved corporate surety.

(c) The owner of such lost, destroyed, or defaced bond, described in paragraphs (a) or (b) hereof, shall surrender the same, or so much thereof as may remain, and, subject to the provisions of paragraph (b) hereof, shall file in the United States Treasury Department a bond in a penal sum of double the amount of the lost, destroyed, or defaced bond, and the interest which would accrue thereon until the principal becomes due and payable, with two good and sufficient sureties, residents of the United States, or with an approved corporate surety, to be approved by the Secretary of the Treasury as agent of the Home Owners' Loan Corporation, with condition to indemnify and save harmless the Home Owners' Loan Corporation and the United States of America from any claim upon such lost, destroyed, or defaced bond.

(d) Whenever it is proved to the Secretary of the Treasury by clear and satisfactory evidence that any duly registered bond of the Home Owners' Loan Corporation, bearing interest, issued for valuable consideration in pursuance of law, has been lost or destroyed so that the same is not held by any person as his own property, the Home Owners' Loan Corporation will issue a duplicate of such registered bond, in like amount, and bearing like interest and marked in a like manner as the bond so proved to be lost or destroyed. But when such lost or destroyed bonds appear to have been of such a class or series as has been or may, before the application for relief is approved, be called in for redemption, instead of issuing duplicates thereof, they shall be paid, with such interest only as would have been paid if they had been presented in accordance with such call.

(e) The owner of such missing bond, described in paragraph (d) hereof, shall first file in the United States Treasury Department a bond in a penal sum equal to the amount of such missing bond and the interest which would accrue thereon until the principal thereof becomes due and payable, with two good and sufficient sureties, residents of the United States, or with an approved corporate surety, to be approved by the Secretary of the Treasury as agent of the Home Owners' Loan Corporation, with condition to indemnify and save harmless the Home Owners' Loan Corporation and the United States of America from any claim because of the lost or destroyed bond.

Sec. 715. The Regional Treasurer, or the Assistant Regional Treasurer in each respective Regional Office, is authorized to sign checks drawn on the Regional Working Fund and the Special Deposits Account maintained with the Treasurer of the United States. All checks in excess of \$1,000.00, drawn on such Accounts, shall be countersigned by the Regional Manager or an Assistant Regional Manager. All checks in an amount of \$10,000.00 or more, drawn on such accounts, shall also be countersigned by the Chairman, the Vice-Chairman or any Member of the Board.

Sec. 716. Each Regional Treasurer is authorized and directed to make advances and disbursements from the Regional Working Fund upon, and only upon, vouchers duly certified for payment by the Auditor or an authorized

Deputy. Reimbursement for such vouchers will be made in the usual manner, provided that certification to vouchers for reimbursement to the Regional Working Fund for advances will not be made by the Auditor or an authorized Deputy until the vouchers, as required by the regulations, are supported by receipts for all funds actually expended; the responsibility for such advances shall attach to each Regional Treasurer.

Sec. 717. The Regional Treasurer is authorized and directed to make disbursements from the Special Deposits Account upon, and only upon, vouchers duly certified for payment by the Auditor or an authorized Deputy.

Sec. 720. The State or Territorial Manager is authorized to disburse funds held in the Escrow Account in accordance with the provisions governing the use of such funds and shall be responsible for all disbursements. All checks in an amount of \$10,000.00 or more, drawn on such accounts, shall be countersigned by the Chairman, the Vice-Chairman, or any Member of the Board.

Sec. 730. The Regional Cashier, under the general supervision of the Regional Treasurer, is responsible for the receipt and disposition of all mail received; the identification and proper disposition of all funds received within the Region; the furnishing of proper posting media for receipts to the Accounting Section; and the maintenance of proper records.

Sec. 733. The General Manager is authorized to set up such Collection Offices as he may deem necessary in any Region, State, Territory, Division, or District, and to provide such facilities as may be necessary to effectually carry out the collection activities of the Corporation, and it is further provided that the General Manager may close, or move such collection offices when, in his opinion, it is in the best interests of the Corporation or is necessary to provide better or more convenient collection facilities to borrowers.

Sec. 734. Great care shall be exercised to avoid the acceptance of counterfeit money, and, in the event of the acceptance of counterfeit money by employees of the Corporation, the following procedure shall be followed:

When counterfeit money is discovered before leaving the control of the Corporation, such counterfeit money shall immediately be delivered with a report of all facts, to the operative in charge of the nearest district office of the U. S. Secret Service, from whom a receipt and a brief statement describing the workmanship of the counterfeit shall be obtained. If discovery is made after deposit, a similar statement shall be secured. Such statement, with a detailed report, shall be forwarded to the Treasurer of the Corporation in Washington.

In the event neither the person from whom the counterfeit money was received, nor the person who accepted the counterfeit money can be identified, the loss shall be charged to general Corporation expense.

In all cases where any counterfeit money is accepted and the person from whom same was received can be identified, he shall be contacted and notified that the amount will be charged to his account.

In the event counterfeit money is accepted by the Corporation and the person from whom same was received cannot be identified, the person who accepted the counterfeit money shall, if he can be identified, be held responsible for the amount and shall promptly reimburse the Corporation.

The Treasurer shall submit to the Comptroller for approval or disapproval all vouchers claiming reimbursement for counterfeit money, and recommend, either that the person who received same shall not be reimbursed because of his negligence, or that the amount paid to the Corporation, as provided herein, be refunded and charged to general corporation expense.

Sec. 740. A Special Deposits Account has been established with the Treasurer of the United States for each Regional Office of the Corporation, in which shall be deposited identified funds received for payment of insurance, ground rents, water rents, taxes, assessments, repairs, or other expenses for the protection of the security of the Corporation, including all identified funds, though tendered for a specific purpose for which the funds cannot be immediately applied.

(a) The Corporation is authorized to accept payments from borrowers: for the future payment of insurance, ground rents, water rents, taxes, assessments, or repairs; or for any purpose necessary for the protection of its security; provided such payments are received under the terms of a contract signed by the borrower in a form approved by the General Manager and General Counsel.

(b) The Corporation may receive incidental identified funds, on account of borrowers, not immediately applicable to payment of loan, interest or principal, provided immediate receipt is issued for such funds on form approved by the General Manager and the General Counsel.

Sec. 741. The State Manager's Escrow Account shall be used as a temporary repository for Trust Funds, such as insurance loss drafts, and other funds or deposits, the immediate disposition of which cannot be made.

Sec. 750. The Supervisor of the Mortgage Document Subsection under the general supervision of the Regional Treasurer, shall have custody of and be responsible for the safekeeping of all loan files and valuable papers or instruments pertaining thereto within the Region, and the expeditious delivery of those instruments and papers to which a borrower is entitled upon payment in full of loan or upon the execution of a partial release. Loans paid in full and partial releases shall be handled in accordance with procedure promulgated by the Treasurer at the Home Office subject to the approval of the General Manager and the General Counsel.

Sec. 751. In the event of a request from an interested party for the return of papers included in a loan file, the Regional Treasurer shall have such request attached to the loan file and forwarded to the Legal Department. If the Legal Department decides that said instrument may be returned and that the person making the request is legally entitled thereto, said Department shall notify the Regional Treasurer in writing, and upon return of the loan file by the Legal Department, the Regional Treasurer shall have such instrument returned to the person making the request.

Any Division or Department to which a loan file is referred for examination may request that any instrument or document therein contained be transmitted to the Home Office or any Department of the Regional Office for the purpose of correcting any errors or omissions. Upon receipt of such request, the Regional Treasurer shall have the instruments or documents transferred as requested; obtaining a receipt which shall be filed with the request in the loan file.

Sec. 752. Where a mortgagor or the owner of the property on which the Corporation has a loan desires to examine the abstract of title to his property or any other document in the file which he may be entitled to examine, he shall make his request in writing through any office of the Corporation, which request shall be forwarded to the Regional Treasurer. Upon receipt of such request, the Regional Treasurer shall permit the borrower or owner, or his duly authorized agent, to examine such abstract or other document either in the Regional Office, or in such State, District, or Branch Office as may be requested, the expenses of transmitting the same to the office where the abstract or document is to be examined to be paid as a Corporation expense.

Upon the written request of such mortgagor or owner, the abstract, survey, or plat, may be delivered for examination to a responsible bank, building and loan association, insurance company, abstract or title company, trust or mortgage company, attorney or other responsible person, firm or corporation, without any deposit upon the execution of a receipt therefor; provided that such institution or person has been approved by the Regional Manager to receive such instruments without deposit. Persons, firms, or corporations whose responsibility is not known or is not satisfactory, and who have not been approved by the Regional Manager, shall be required to make a deposit in an amount equal to the replacement value of the instrument or instruments released. In any case the person, firm, or corporation receiving the abstract, survey, or plat shall, in addition to the receipt executed therefor, enter into an agreement to be responsible for all expenses of transmittal and to return such abstract, survey, or plat upon request of the Regional Treasurer, or

in any event, within sixty days; and a further agreement to pay the replacement value of such abstract, survey, or plat if not returned within such time, or within any additional time that may be granted in writing by the Regional Treasurer. The Regional Treasurer may in his discretion, require the payment of transmittal expenses in advance; and

Be it further resolved, That the Treasurer may recommend and the Comptroller is hereby authorized, with the approval of the General Manager and the General Counsel, to prescribe all procedure necessary to carry out the foregoing regulations; and

Be it further resolved, That all previously issued regulations which are in conflict herewith, or with regulations issued under authority granted herein, are hereby superseded and repealed.

The _____ (name and doing business as, if any, of adopting carrier) hereby adopts, ratifies, and makes its own, in every respect as if the same had been originally filed and posted by it, all tariffs, classifications, rules, notices, concurrences, traffic agreements, divisions, authorities, powers of attorney or other instruments whatsoever, including supplements or amendments thereto, filed with the Interstate Commerce Commission by, or heretofore adopted by the _____ (name and doing business as, if any, of old carrier) prior to _____ (date).

(a) (2) In addition to the above adoption notice the new carrier shall immediately file with the Interstate Commerce Commission and post at the stations and offices affected a consecutively numbered supplement to each of the effective tariffs issued or adopted by its predecessor, reading as follows:

(a) (3) Tariffs issued by other carriers or agents for and in behalf of the carrier absorbed, taken over, operated by another carrier, or whose name is changed, shall be amended on statutory notice, by the next regular supplement filed, to eliminate the name of the old carrier and to add the name of the new carrier. Such supplement shall also contain the following provision:

(b) (3) Schedules issued by agents for and in behalf of the carrier absorbed, taken over, operated by another carrier, or whose name is changed, shall be amended on statutory notice by the next regular supplement filed to eliminate the name of the old carrier and to add the name of the new carrier. Such supplement shall also contain the following provision:

The _____ (name and doing business as, if any, of the adopting carrier) by its adoption notice MF-ICC (or MP-ICC or ME-ICC) No. _____, having taken over the schedules, etc., of the _____ (name and doing business as, if any, of the old carrier) the _____ (name and doing business as, if any, of the adopting carrier) is hereby substituted for the _____ (name and doing business as, if any, of the old carrier) wherever it appears in this tariff.

(c) Succeeding supplements or amendments to such tariffs or schedules filed by the adopting carrier shall be numbered consecutively following the number of the adoption supplement or amendment.

New tariffs or schedules reissuing or succeeding such tariffs or schedules shall be numbered in the MF-ICC, MP-ICC, or ME-ICC series of the adopting carrier. The adopting carrier when canceling any tariff or schedule issued or adopted by the old carrier must identify it in the cancellation notice by reference to its MF-ICC, MP-ICC, or ME-ICC number, by reference to the name of its issuing carrier, and when tariffs or schedules have been published by the old carrier in more than one series, by reference to the particular series in which that tariff or schedule was published.

RULE 2—TRANSFER OF A PART OF AN OPERATION

(a) When the operating control of a *common* carrier's properties is transferred in part to another *common* carrier, the carrier which will thereafter operate that part of the properties shall file with the Interstate Commerce Commission and post at the stations and offices affected an adoption notice numbered in its MF-ICC, MP-ICC or ME-ICC series reading as follows:

The _____ (name and doing business as, if any, of adopting carrier) hereby adopts, ratifies, and makes its own in every respect as if the same had been originally filed and posted by it, all tariffs, classifications, rules, notices, concurrences, traffic agreements, divisions, authorities, powers of attorney, or other instruments whatsoever, including supplements or amendments thereto, filed with the Interstate Commerce Commission by, or heretofore adopted by the _____ (name and doing business as, if any, of the old carrier) prior to _____ (date) in so far as said instruments apply (here describe the operations transferred).

(b) (1) In addition to the above adoption notice, the old carrier shall immediately file with the Interstate Commerce Commission and post at the stations and offices affected *under proper concurrence from the new carrier*, a supplement to each of its effective tariffs covered by the adoption notice reading as follows:

Effective _____ (here insert date shown in the adoption notice) this tariff or as amended, in so far as it contains rates, rules, and regulations applying (here describe the operations transferred), became the tariff of the _____ (name and doing business as, if any, of the new carrier) as per its adoption notice MF-ICC (or MP-ICC or ME-ICC) No. _____ of _____ (name and doing business as, if any, of the new carrier).

(b) (2) Tariffs issued by other carriers or agents applicable in connection with that part of the line taken over or operated in part by another carrier, shall be amended on statutory notice by the next regular supplement filed to

incorporate necessary changes. Such supplement shall also contain the following provision:

The _____ (name and doing business as, if any, of the new carrier) by its adoption notice MF-ICC (or MP-ICC or ME-ICC) No. _____, having taken over tariffs, etc., of the _____ (name and doing business as, if any, of the old carrier) in so far as they contain rates, charges, rules, and regulations applying _____ (here describe the operations transferred), the _____ (name and doing business as, if any, of the new carrier) is hereby substituted for the _____ (name and doing business as, if any, of the old carrier) wherever the latter appears in this tariff in connection with said points, routes, or territory.

(c) Rates, rules, and regulations applying locally between points on the transferred portion shall be transferred as quickly as possible to tariffs of the new carrier. The old carrier shall cancel such rates, rules, and regulations from its tariffs on statutory notice and shall refer by MF-ICC, MP-ICC, or ME-ICC number to the tariffs of the new carrier for rates to apply thereafter. The new carrier shall publish and file corresponding rates, rules, and regulations on statutory notice to become effective upon the date upon which the cancellation of the old carrier's rates, rules, and regulations becomes effective.

(d) If on the transferred portion there is a point which will continue to be served by the old line as well as being established as a point on the new line, a note or reference mark may be shown in connection with the name of that point and explained substantially as follows:

This adoption notice does not have the effect of eliminating _____ as a point served by _____ (name and doing business as, if any, of the old carrier) but has the effect of establishing service at said point by _____ (name and doing business as, if any, of the new carrier).

(e) When the operating control of a *contract* carrier's properties is transferred in part to another *contract* carrier, the old carrier shall issue a supplement to each of its effective schedules upon statutory notice reading as follows:

Effective _____ (date) the minimum rates, charges, rules, and regulations in this schedule are withdrawn and cancelled in so far as they apply _____ (here describe the operations transferred). For minimum rates, charges, rules, and regulations to apply in the future, see schedule MF-ICC (or MP-ICC or ME-ICC) No. _____ issued by _____ (name and doing business as, if any, of the new carrier).

The new carrier shall issue and file at the same time, to become effective on the same date, a schedule or schedules establishing on statutory notice minimum rates, charges, rules, and regulations in lieu of those withdrawn by the old carrier.

RULE 3—ASSUMPTION OF OPERATING CONTROL BY RECEIVERS, TRUSTEES, EXECUTORS, ADMINISTRATORS, OR ASSIGNEES

Adoption notice similar to those prescribed in Rules 1 and 2 but numbered consecutively in the MF-ICC, MP-ICC, or ME-ICC series of the old carrier, must immediately be filed by a receiver, trustee, executor, administrator, or assignee when he assumes possession and operating control of a carrier's lines, either in whole or in part, and must show the names of the receivers, trustees, executors, administrators, or assignees on the title page in connection with the carrier's name. When such possession and operating control are terminated, the carrier taking over the properties shall file an adoption notice, and if a change in the name of the carrier has been made, shall also file supplements as prescribed in Rules 1 and 2.

RULE 4—GENERAL INSTRUCTIONS APPLICABLE TO ALL CHANGES MADE UNDER THE AUTHORITY OF THIS CIRCULAR

(a) Notices of adoption shall be filed with the Commission immediately and if possible on or before the date shown therein. Copies shall be sent to each agent or carrier to which power of attorney or concurrence has been given by the old carrier. The effective date must be the date (as shown in the body of the notice) on which the change in name or operation occurs, except that if prior approval by

the Interstate Commerce Commission of such change is required, the effective date shown shall not antedate that approval.

(b) Concurrences and powers of attorney adopted by a carrier, receiver, trustee, executor, administrator, or assignee shall, within 120 days, be replaced and superseded by new concurrences and powers of attorney issued by and numbered in the series of the new carrier, receiver, trustee, executor, administrator, or assignee, except that receivers, trustees, executors, administrators, or assignees may number concurrences and powers of attorney in the old series. The cancellation reference to the former concurrence or power of attorney must include the name or initials of the former issuing carrier. Concurrences and powers of attorney which will not be replaced by new issues shall be regularly revoked on the notice and in the manner prescribed by Rule 10 (d) of Tariff Circular MF No. 1 or Rule 15 (d) of Tariff Circular MP No. 2.

- (1) a rail carrier;

- (3) a motor carrier, to the extent that it participates in the publication and maintenance of joint rates with carriers named in (1) and (2) above;
